## *Profile*

I am a well rounded multimedia designer looking for a job in a digital design department.

**Recent graduate** of Santa Rosa Junior College's Graphic Design Program. Dean's Honors List '06 & '07.

**Music featured** in award winning film *Piece by Piece* and in XLR8R Magazine.

**Certified** in Adobe Photoshop.

**Member** of AGIA and North Bay Adobe User Group.

## *Software Skills*

- ♦ Multipage lay with indesign and Quark
- ♦ Creating vector graphics with Illustrator
- ♦ Web design with Dreamweaver, Flash, CSS, Fireworks and Image Ready
- ♦ PDF authoring with Acrobat
- ♦ Rastor graphics with Photoshop
- ♦ Sound production with Digital Performer and Reason
- ♦ Video production with After Effects

## *History*

### **1998–2000**

I spent two years as a camera man for 2B1 Productions under the direction of Peter Saulson. It eventually led to a Junior Directing position.

### **2001–2002**

Cabrillo Community College.

### **2002–2004**

San Francisco State's Music Recording Industry program.

Signed with Subvert Underground Press.

### **2003–2006**

Produced 5 records for Ikadry. Duties included recording music with Digital Performer, playing instruments, and liaison to cover artists and vinyl and compact disk manufacturers.

Played bass on the 88's self titled first album. Recorded at the Plant Recording studios in Sausalito mastered by Jon Gullianni.

Produced a music group called the Uptown Allstars. Duties included: Creating original art for CD covers, flyers, website, recording and writing original music.

### **2006–2008**

Santa Rosa Junior College—Graphic Design Program.
